NEW QUESTION: 1

Wählen Sie für jede der folgenden Aussagen Ja aus, wenn die Aussage wahr ist. Andernfalls wählen Sie Nein. HINWEIS: Jede richtige Auswahl ist einen Punkt wert.

Answer:

Explanation:

Explanation

Box 1: Yes

You can use the same account to manage multiple subscriptions. You can create an additional subscription for your account in the Azure portal. You may want an additional subscription to avoid hitting subscription limits, to create separate environments for security, or to isolate data for compliance reasons.

Box 2: No

You cannot merge two subscriptions into a single subscription. However, you can move some Azure resources from one

subscription to another. You can also transfer ownership of a subscription and change the billing type for a subscription.

Box 3: Yes

A company can have multiple subscriptions and store resources in the different subscriptions. However, a resource instance can exist in only one subscription.

NEW QUESTION: 2

- A. Option A
- B. Option D
- C. Option C
- D. Option B

Answer: D

Explanation:

A zone is a logical area where devices with similar trust levels reside. For example, we could define a DMZ for devices in the DMZ in an organization. A zone is created by the administrator, and then interfaces can be assigned to zones. A zone can have one or more interfaces assigned to it. Any given interface can belong to only a single zone. There is a default zone, called the self zone, which is a logical zone.
