NEW QUESTION: 1

Answer:

Explanation:

Explanation

Box 1:

Box 2:

Box 3:

Box 4:

This question states that the document was shared with Guest access to the document provided to several vendors. This would have been done by providing the vendors with a 'guest link' to the document.

You can revoke access to a document that has been shared through a guest link by disabling the link.

When people outside your organization attempt to access the content using the guest link, they will see a message indicating that they cannot access it.
