Veröffentlichen Sie die Informationssicherheitsstrategie im gesamten Unternehmen. **B.** Erstellen Sie regelmäßig Berichte, um die Einhaltung der Sicherheitsstandards nachzuweisen. **C.** Entwickeln Sie eine Heatmap für die Informationssicherheit. **D.** Richten Sie ein Balanced Scorecard-Dashboard ein. **Answer: D**

NEW QUESTION: 3 In 1992, hail damaged several of Toncan Co.'s vans. Hailstorms had frequently inflicted similar damage to Toncan's vans. Over the years, Toncan had saved money by not buying hail insurance and either paying for repairs, or selling damaged vans and then replacing them. In 1992, the damaged vans

were sold for less than their carrying amount. How should the hail damage cost be reported in Toncan's 1992 financial statements?**A.** The expected average hail damage loss in continuing operations, with separate disclosure.**B.** The actual 1992 hail damage loss as an extraordinary loss, net of income taxes.**C.** The expected average hail damage loss in continuing operations, with no separate disclosure.**D.** The actual 1992 hail damage loss in continuing operations, with no separate disclosure.**Answer: D****Explanation:**Choice "b" is correct. Actual hail damage must be reported. Since the hailstorms are frequent, the damage is not considered an extraordinary gain/loss. Thus, the damages would be shown in continuing operations. No separate disclosure is necessary since hail damage is a common occurrence. Choice "a" is incorrect. Hailstorms are not unusual and infrequent so the loss could not be classified as extraordinary. APB 30 para. 20 Choice "c" is incorrect. Actual hail damage must be reported. Estimated hail damage may be probable but is not estimable; so it should not be included in income calculations. Choice "d" is incorrect. Estimated hail damage may be probable but is not estimable; so it should not be included in income calculations.
