NEW QUESTION: 1

You are an EMC service provider and want to install the ESRS IP client solution. The workstation on which you want to install this software is on a network with a proxy server.

What information must be provided to install the solution?

- A. Powerlink SecurID credentials and the proxy configuration
- B. Array serial number and the proxy configuration
- C. Proxy server IP address and the array IP address
- D. Windows administrative credentials and the proxy configuration

Answer: A

NEW QUESTION: 2

If a lessor appropriately classifies a lease as a sales-type lease, the following items related to the lease should be reported on the lessor's income statement in the first year of the lease:

- I). Rental Revenue
- II). Interest Revenue
- III). Depreciation Expense
- IV). Income (loss) on Sale of Leased Property

- A. II, III, and IV only
- B. I and III only
- C. II and IV only

Answer: C

Explanation:

Rental revenue is only recognized in an operating lease. If it is a sales-type lease, there is profit on the sale as well as the interest revenue on the receivable. As the lessor no longer reports the asset on its records, it does not record depreciation on it.

NEW QUESTION: 3
