**NEW QUESTION: 3**

Marion has been hired by a small business to determine why its Web site does not attract users. As Marion interviews different members of the company, she learns that when the site was first created, the external Web developer did not produce any documents specifying the basic requirements for the site. As a result, the site did not have a defined purpose and was not designed for the company's audience. Additionally, the site navigation did not make sense from a user's point of view. Marion considers this information, then she recommends that the company create which document?

- A. Wireframe
- B. Non-disclosure agreement
- C. Marketing slideshow
- D. Storyboard

**Answer: D**

**NEW QUESTION: 4**
