- D.** Microsoft Services Provider Use Rights (SPUR)

Answer: C

Explanation:

The Microsoft Volume Licensing Product Use Rights document, commonly referred to as "the PUR" (pronounced "per"), is part of your Microsoft Volume Licensing agreement. When you need to

know how to license a particular product or the specifics of what you can do with that product under the terms of your license agreement, generally, the PUR has the information you need. The PUR details use rights for specific products and details the rights that apply to all software licensed through Microsoft Volume Licensing.

* When you purchase a software license through a Microsoft Volume Licensing program, the terms and conditions for how you can use the software are defined in the Volume Licensing Product Use Rights (PUR) document, Product List document, and program agreement.

Incorrect:

Not B: Product List (PL)
