The pdf version is in pdf file and can be printed into papers.

NEW QUESTION: 1
You are working as a Computer forensics investigator for a corporation on a computer abuse case. You discover evidence that shows the subject of your investigation is also embezzling money from the company. The company CEO and the corporate legal counsel advise you to contact law enforcement and provide them with the evidence that you have found. The law enforcement

officer that responds requests that you put a network sniffer on your network and monitor all traffic to the subject's computer. You inform the officer that you will not be able to comply with that request because doing so would:
A. Cause network congestion
B. Violate your contract
C. Write information to the subject's hard drive
D. Make you an agent of law enforcement
Answer: D
